

LogosNet Services Ltd present a new Cloud Storage Backup Plan for our customers

Ideal for professionals and small businesses

Biz 5 (or) Biz 10 packets includes:

5 or 10 PC's Backups

Secure Transfer via web

Unlimited storage

Web Management

BIZ 5: €199 (OR) BIZ 10: €299 PER YEAR

Benefits of Cloud Storage include:

- Cloud backup for all of your office PCs
- Give all employees their own cloud storage space
- Access your files from anywhere
- Share and collaborate on files
- Complete central administrator control
- Completely secure, all stored in the EU
- Outstanding support

Clarifications:

1. For multiple file sharing you can request "NetDrive" which is an under charge online backup and sync storage application where you can view any file from anywhere.

NetDrive 0.5	Unlimited PC's	0.5TB Storage	€79 per year
NetDrive 1	Unlimited PC's	1TB Storage	€99 per year
NetDrive 2	Unlimited PC's	2TB Storage	€149 per year

2. A single unified account is used for backing up all the PCs. This means, a user that has access to this account credentials can view the files of other users.
3. If you need privacy in your backups per user or department, then you have to purchase a new additional account with a charge of €25/year for Biz 5 (max. 4 a/c) and €20/year for Biz 10 (max. 9 a/c).
4. Packets payments are made per year.
5. Prices exclude 19% VAT.
