**Clarifications:**

1. A single unified account is used for backing up all the PCs. This means, a user that has access to this account credentials can view the files of other users.
2. If you need privacy in your backups per user or department, you have to purchase new additional accounts with charge of €25/year for a Backup Solution and €89/year for Pro Suite Solution for each new account.
3. Packages payment is made per year.
4. Prices exclude 19% VAT.
