Clarifications:

1. For multiple file sharing you can request "NetDrive" which is an under charge online backup and sync storage application where you can view any file from anywhere.

NetDrive 0.5	Unlimited PC's	0.5TB Storage	€79 per year
NetDrive 1	Unlimited PC's	1TB Storage	€99 per year
NetDrive 2	Unlimited PC's	2TB Storage	€149 per year

2. A single unified account is used for backing up all the PCs. This means, a user that has access to this account credentials can view the files of other users.
3. If you need privacy in your backups per user or department, you have to purchase new additional accounts with charge of less than €20/year each account.
4. Packets payments are made per year.
5. Prices exclude 19% VAT.
